

Launch EVP from macOS

EVP via WebUI

Open in web browser and log in using your EVP credentials.

<https://start.etailsolutions.com>

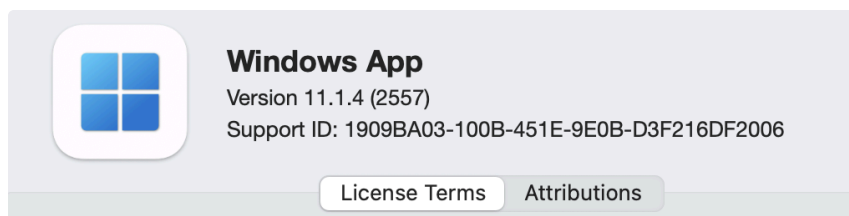

EVP via Remote Desktop Protocol (RDP)

Multi-Factor Authentication (for users with MFA logon enabled), must be setup prior to launching EVP via RDP.

✂ <https://etailsolutionsllc.atlassian.net/wiki/spaces/ETAIL/pages/2547679237>

Download/Install Microsoft “Windows App” from the App Store.

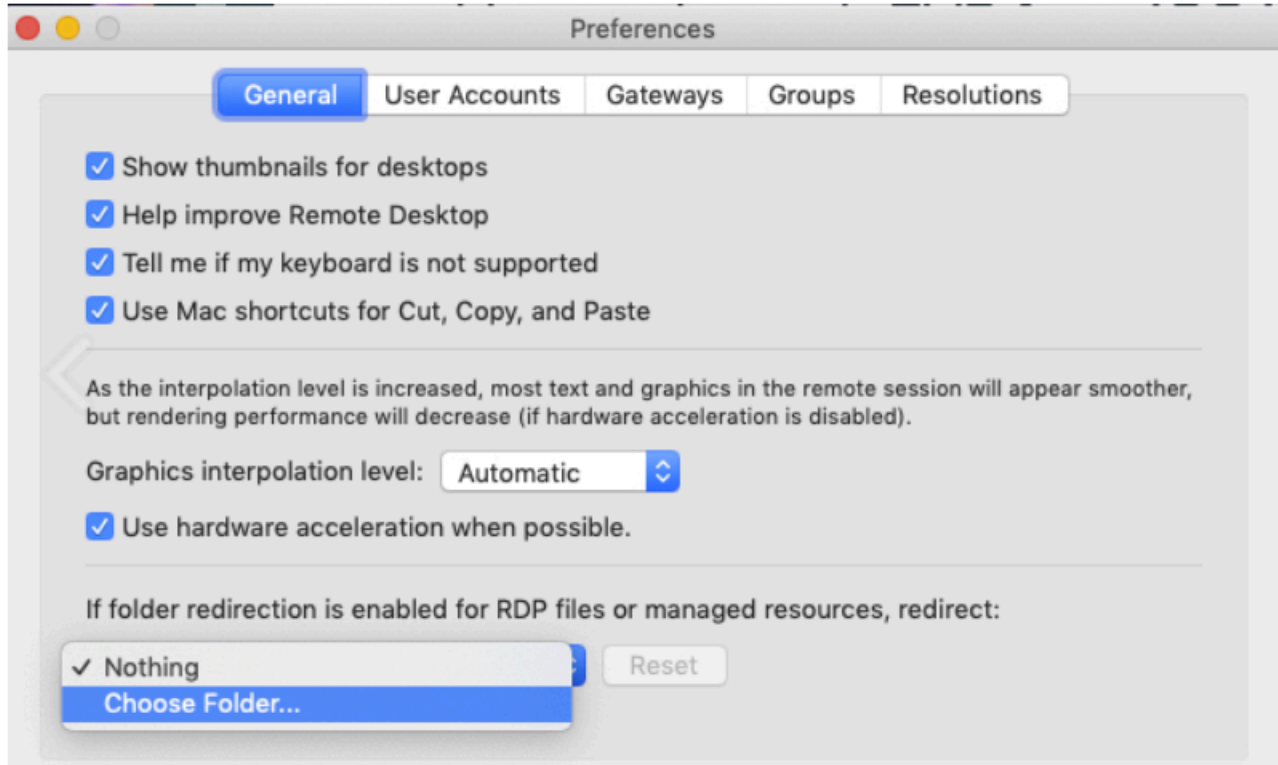

Minimum supported version is 11.1.4 (recommended)

1. Navigate to <https://gwe1.etailsolutions.com>
2. Log in with your EVP Credentials
3. Click on your EVP app which will copy to "downloads" on Mac
4. Open "downloads", right click the cpub*.rdp file, "open with", Windows App (default)
5. The cpub*.rdp file can be renamed, copied or moved out of downloads to dock, desktop, etc.

In Microsoft Windows App, click Windows App on toolbar, select Settings, General

You may wish to set folder redirection

Alternate Configuration - Using Published Apps

1. From Windows App menu, select Window, Connection Center
2. App
3. Click the + sign in the upper right hand corner

4. Add Workspace

Enter URL <https://gwe1.etailsolutions.com>

Toggle the "Credentials" box, select existing credential or Add User Account

Add Workspace

https://gwe1.etailsolutions.com

A workspace is associated with this URL.

Workspace URL:

https://gwe1.etailsolutions.com

/RDWeb/Feed/webfeed.aspx

Links to remote apps, PCs and files will be downloaded and automatically updated if you add the workspace.

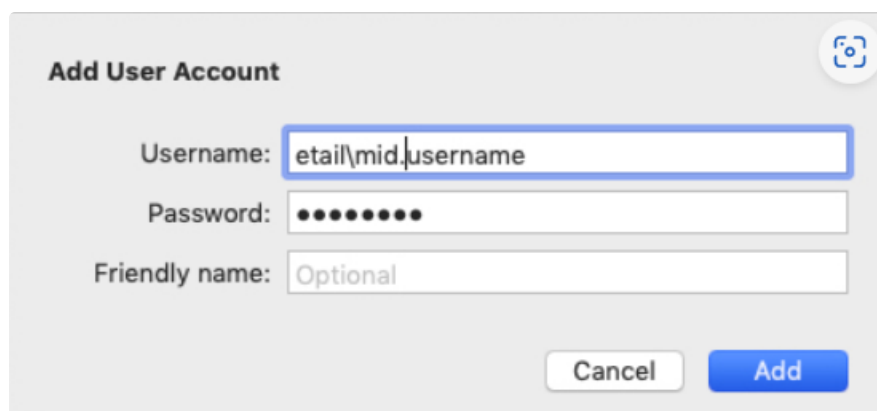

Credentials: Ask when required

If you continue, you will be asked for credentials that will be used to add the workspace.

Privacy settings for managed resources are preset by your organization.

5. Enter "Username" "Password" and "Friendly name" if desired. Add.

The dialog box is titled "Add User Account" and has a close button in the top right corner. It contains three input fields: "Username:" with the text "etail\mid.username", "Password:" with masked characters "••••••••", and "Friendly name:" with the text "Optional". At the bottom, there are two buttons: "Cancel" and "Add".

6. Upon successful connection, your EVP app will be visible in Work Resources. Double click to open.
